Is Your Business Signage Up to Date?

Use this quick checklist to see if your business signage may be costing you customers ?

- Is your sign faded, peeling, cracked, or damaged?
- Is your lighting dim, inconsistent, or not working at night?
- Does your sign reflect your current logo, colors, and branding?
- Is your sign easy to read from the road or sidewalk?
- Does your signage match your website and marketing materials?
- Are your business hours, services, or contact details up to date?
- Is your signage compliant with ADA and local regulations?
- Has it been more than 5–7 years since your sign was updated?

**Checked two or more above?
It is time for a sign upgrade**
